SUPPLEMENTAL RESPONSE

Dear Sir:

This is a Supplemental Response to the March 11, 2003
Official Action in the above-identified patent application.

In the response to the March 11, 2003 Official Action, applicants submitted an unexecuted copy of the Declaration of Deposited Materials and stated that the executed Declaration would be filed subsequently.

Submitted herewith is the Declaration of Deposited Materials which is identical to the earlier submitted copy, and which has been duly executed by Peter Little on behalf of the applicants' assignee.

Applicants again respectfully request, for the reasons presented in their earlier response, that the objection and rejections set forth in the March 11, 2003 Official Action be withdrawn and that this application be passed to issue.
